**USPA NEWS** - Faiz Hameed was our asset which was wasted, the army is investigating General Retired Faiz Hameed, this is their internal matter, I have nothing to do with it, they are holding General Faiz Hameed accountable, it is good, but then Make it All Accountable.

\*• IB reports were that the current Speaker Punjab Assembly Malik Ahmed Khan was always sitting next to General Bajwa, General Bajwa had removed General Faiz Hameed on the request of Nawaz Sharif and Shahbaz Sharif, on the removal of General Faiz Hameed. I had a bitter words exchange with General Bajwa.

General Faiz Hameed had made a complete plan to eliminate terrorism from the country, Faiz Hameed had good relations with the Taliban, he continued to negotiate with the Taliban for 3 years, I repeatedly told General Retired Bajwa. Not to remove Faiz Hameed, Bajwa removed Faiz Hameed for his own extension and put ISI behind PTI.

All the Taliban have turned against us, our soldiers are being martyred every day, whatever operation you want, they will cross the border and go to the other side and come back again.

They say that I made agreements with the Taliban and brought them back, if that is the case, then why is cross-border terrorism happening now?

Why did not terrorism happen in our time? General Faiz brought Zalmay Khalilzad and the Taliban to me, now I hold General Retired Bajwa responsible for the terrorism that is happening.

Nawaz Sharif and Shehbaz Sharif had a condition to remove Faiz Hameed, I had very bitter words exchange with General Bajwa for removing Faiz Hameed, I did not want to remove Faiz Hameed because he was engaged with the Taliban and the Afghan government against the terrorism.

Yes, we had a golden opportunity to end terrorism in Pakistan.

Khawaja Asif has said that General retired Bajwa wanted more extension, this supports my position and statement today .

Then General Bajwa brought down my government for his extension.

• we have to start coming out on the streets, the party has been asked to be ready\*

They want PTI not to get specific seats and they can amend the constitution, they are violating the constitution for the third time, they did not hold the election in the first 90 days, then they ran away from the election in October. Now they are going to amend the constitution for the third time.
